

# Flag Retirement Ceremony

Join our very own Boy Scouts from Troop 933 for a flag retirement ceremony. The Boy Scouts have agreed to demonstrate how to properly burn an old worn out flag for our pack.

**When:** Monday, October 2, 2017

**Where:** North Lawrence Boy Scout building

(From Alabama- go west past the North Lawrence Fish and Game Club.  
The Boy Scout building is the next building down.)

**Time:** 7:00 PM

**Wear:** Class A - Scout uniform

Due to the limited parking at the scout building- please try to arrange to car pool with others in the pack. You can park at the North Lawrence Fish and Game Club and catch a ride from there. It is also just a short distance down so you could walk down too. Bugs are bad down there- bring bug spray.
